

Parents and Teachers

Find out about curriculum correlations, guided programs and more by accessing the **Educator Tools** section of the website. To do so, select **For grown ups** (located on the top right of the website) and use the left panel to navigate through the columns.

Make sure to check out other resources available from World Book through the library. When your children grow up, they can always try World Book: Kids to start learning and continue to improve their reading skills.

Listen, Learn, Read, Play!

World Book: Early Learning

Formerly known as Early World of Learning, this platform gives instant access to users learning how to read! All you need is internet access and a library card! Everything is accessed via streaming on a browser so you don't have to worry about downloading any files or an app.

Formats

You have 4 different formats of learning!

1. Videos - Short educational video clips like seeing bees in a beehive or someone snowboarding or a snowstorm!

2. Games - quick and fun tracing, true or false, matching and concentration games to increase knowledge on topics like insects, weather, sports and more.

3. Stories - fun stories available focusing on the Spanish language, weather, animal homes, wild animals, creepy-crawlies, sea creatures, my body, people at work, rain forest, and dinosaurs.

4. Activities - online activities including a space to free draw, colour, print & do sheets and paint by number!

If you know you want to watch videos then just select **videos** from the homepage and then browse through the categories! Follow the exact same process for all 4 formats.

Topics

Maybe you want to learn about something specific. Browse the categories on the home page with the carousel. Click on the arrows pointing left and right until you find the category that interests you. Then click the icon or the **Go** button.

There's lots of categories to choose from:

On the Move
Terrific Trees
Rainbow Colours
Counting Numbers
Weather
Animal Homes
Wild Animals
Creepy-Crawlies
Sea Creatures
